

**#VEGASSTRONG**

A stylized black and white logo of the Las Vegas skyline. The letters 'SINCE CITY' are rendered in a bold, blocky font where the letters are filled with white and set against a black background. The top edges of the letters are jagged, mimicking the silhouettes of various buildings in the city. The 'S' is on the left, followed by 'I', 'N', 'C', 'E', 'C', 'I', 'T', 'Y'.
